Credit Evaluation Guide for IB

The University of Arizona Global Campus (UAGC) recognizes the uniqueness of each student's experience and realizes learning takes place in a variety of environments.

IB's exams and courses have been evaluated for transfer applicability at UAGC.

Students may pursue their academic and professional goals through a variety of degree programs at UAGC. For additional information on UAGC degree programs, please visit [our website](#).

Students are responsible for requesting their IB transcripts.

To request IB transcripts, please visit the [IB website](#).

Transfer Provisions

Students must complete 120 credits to obtain a bachelor's degree. A maximum of 90 combined non-traditional learning, UAGC prior learning, and transfer credits may be accepted and applied toward the 120-credit requirement. Within the 90-credit maximum, a maximum of 75 credits of non-traditional credit, including UAGC prior learning, may be applied toward degree completion (depending on student's state of residence). For state specific information, please refer to the [Undergraduate General Transfer Credit Provisions and Limitations](#) in the UAGC catalog.

Official transfer credit evaluation takes place once a student is enrolled at UAGC, and all official transcripts have been received.
