

Bachelor of Arts in Health and Human Services

Program Type: Online

Did You Know?

- All CCAF Associate of Applied Science (AAS) degrees are accepted in transfer by the University of Arizona Global Campus.
- You only need a maximum of 60 additional credits from the University of Arizona Global Campus to complete your Bachelor of Arts in Health and Human Services.

Degree Focus:

The Bachelor of Arts in Health and Human Services is an interdisciplinary degree program preparing students to work in diverse entry level positions in health and human services. Emphasis of the major is on the delivery of health and human services to diverse populations, in the context of the current and emerging political, socioeconomic, psychosocial, and regulatory environment.

Program Outcomes:

Health and Human Services major graduates will be able to:

- Analyze health and human services delivery from political, socioeconomic, and psychosocial perspectives;
- Evaluate social and human delivery systems at the individual, family, group, organization, and community levels;
- Analyze social problems within the context of health care environments;
- Evaluate ethical issues and challenges inherent in the provision of health and human services;
- Analyze human behaviors within the health and human services context;
- Evaluate health and human services issues, challenges, and interventions;
- Discuss the provision of health and human services from multi-cultural perspectives; and
- Identify effective communication components and strategies with diverse health and human services constituents.

^ Non-transferable course that must be taken at the University of Arizona Global Campus (UAGC).

Certain degree programs may not be available in all states.

Any coursework completed at the University of Arizona Global Campus (UAGC) (including non-degree seeking) prior to the Associate in Applied Science degree being awarded, will count towards the 60-credit minimum requirement needed for the student's official evaluation.

This pathway provides a sample of how your credits may transfer to UAGC under this agreement. Actual general education requirements and applicable credits will vary based on the official transcript evaluation, and the sample plans do not guarantee that specific requirements will be fulfilled.

Licensure and Certification Terms and Conditions: The Bachelor of Arts in Health and Human Services program is not designed to meet the state educational requirements for a specific professional license or certification in any state. Students seeking licensure or certification in a particular profession shall carefully research the requirements prior to enrollment and regularly review the requirements as they are subject to change. Requirements vary by state. The University of Arizona Global Campus does not guarantee that any professional organization will accept a graduate's application to sit for any exam for the purpose of professional certification. Further, a criminal record may prevent an applicant from obtaining licensure, certification, or employment in their field of study.
