

## 2025–2026 Transfer Pathway

Any Community College of the Air Force (CCAF) Associate of Applied Science  
-TO- The University of Arizona Global Campus Bachelor of Arts in Liberal Arts

Pending receipt and evaluation of official transcripts, this program-to-program transfer pathway is unofficial; does not guarantee automatic acceptance of transfer credits; and is based solely on coursework with a grade of C- or better. The University of Arizona Global Campus (UAGC) course applicability and availability to take additional coursework beyond the designated degree will vary based on each student's individual transfer credit situation. We recommend students work with their UAGC Academic Advisor during their first UAGC course to ensure duplicative coursework is not scheduled pending their official transfer credit evaluation. For complete degree, residency, and transfer credit policies, please refer to the UAGC Academic Catalog. **The Bachelor of Arts in Liberal Arts program is not designed to meet the state educational requirements for a specific professional license or certification in any state.**

### CCAF Associate of Applied Science (AAS) Degree

Generally, students with a conferred Community College of the Air Force (CCAF) AAS degree will transfer 60 credits to this UAGC program. To be eligible for this pathway, all official transcripts for coursework used to fulfill the AAS degree requirements must be submitted to UAGC for official transfer credit evaluation. Exact General Education Mobile (GEM) coursework completed by each student may vary. Depending on the coursework previously completed, UAGC general education or major requirements met in transfer may differ slightly. Coursework outlined below is an example of how credits may apply.

### UAGC Bachelor of Arts in Liberal Arts

All UAGC courses are required unless otherwise noted. Any UAGC course prerequisites not completed in transfer are required to be fulfilled even if those prerequisites are not a requirement within the selected UAGC program. Course prerequisites are listed in the UAGC Academic Catalog.
