

2025–2026 Transfer Pathway

Any Community College of the Air Force (CCAF) Associate of Applied Science
-TO- The University of Arizona Global Campus Bachelor of Arts in Sociology

Pending receipt and evaluation of official transcripts, this program-to-program transfer pathway is unofficial; does not guarantee automatic acceptance of transfer credits; and is based solely on coursework with a grade of C- or better. The University of Arizona Global Campus (UAGC) course applicability and availability to take additional coursework beyond the designated degree will vary based on each student's individual transfer credit situation. We recommend students work with their UAGC Academic Advisor during their first UAGC course to ensure duplicative coursework is not scheduled pending their official transfer credit evaluation. For complete degree, residency, and transfer credit policies, please refer to the UAGC Academic Catalog. **The Bachelor of Arts in Sociology program is not designed to meet the state educational requirements for a specific professional license or certification in any state.**
