

Associate of Applied Science in Nursing**to****Bachelor of Science in Nursing**

Pending receipt and evaluation of official transcripts, this program to program transfer pathway is unofficial; does not guarantee automatic acceptance of transfer credits; and is based solely on Cochise College coursework with a grade of C- or better. The University of Arizona Global Campus (UAGC) course applicability and availability to take additional coursework beyond the designated Cochise degree will vary based on each student's individual transfer credit situation. We recommend students work with their UAGC Academic Advisor during their first UAGC course to ensure duplicative coursework is not scheduled pending their official transfer credit evaluation. For complete degree, residency, and transfer credit policies, please refer to the UAGC catalog. **This UAGC program is not designed to meet the state educational requirements for a specific professional license or certification in any state.**

For questions about the University of Arizona Global Campus portion of this transfer pathway, contact articulation@uagc.edu.

| Cochise General Education Courses | Credits | UAGC Course Applicability / Notes |
|---|-----------|--|

| Total Required Credits for Bachelor's Degree | 120 | <i>Must include 30 upper division credits.</i> |

Applicants to this program must have earned a nursing (hospital) diploma or associate degree in nursing from an approved accredited college or university including the following coursework or equivalent: Microbiology (with lab).

Applicants must possess an active, unrestricted license to practice as a Registered Nurse or its equivalent in at least one U.S. state. All students must maintain this licensure throughout the program of study. Failure to do so will result in dismissal from the program. Students are responsible for informing the University of Arizona Global Campus of any change to the status of their RN license. In addition, UAGC may perform routine, periodic validations of student RN licenses to ensure compliance with this requirement.

Licensure and Certification Terms and Conditions: This program is not designed to meet the state educational requirements for a specific professional license or certification in any state. Students seeking licensure or certification in a particular profession shall carefully research the requirements prior to enrollment and regularly review the requirements as they are subject to change. Requirements vary by state. The University of Arizona Global Campus does not guarantee that any professional organization will accept a graduate's application to sit for any exam for the purpose of professional certification. Further, a criminal record may prevent an applicant from obtaining licensure, certification, or employment in their field of study.
