

Associate of Applied Science in School of Health Sciences to Bachelor of Arts in Health Care Administration

Pending receipt and evaluation of official transcripts, this program to program transfer pathway is unofficial, does not guarantee automatic acceptance of transfer credits, and is based solely on Dallas College coursework with a grade of C- or better. The University of Arizona Global Campus (UAGC) course applicability and availability to take additional coursework beyond the designated Dallas degree will vary based on each student's individual transfer credit situation. We recommend students work with their UAGC Academic Advisor during their first UAGC course to ensure duplicative coursework is not scheduled pending their official transfer credit evaluation. For complete degree, residency, and transfer credit policies, please refer to the UAGC catalog. Successful completion of this UAGC program by itself does not provide licensure or certification in any state, regardless of concentration or specialization.

Successful completion of ENGL 1301 is required before student progresses past GEN 101 at UAGC.

For questions about the University of Arizona Global Campus portion of this transfer pathway, contact articulation@uagc.edu.

Dallas General Education Courses*	Credits	UAGC Course Applicability / Notes
ENGL 1301 Composition I	3	Written Communication I Core Competency
†SPCH 1311, SPCH 1315, or SPCH 1321	3	Oral & Interpersonal Communication Core Competency

†HUMA 1302 Introduction to Humanities II	3	Aesthetic Awareness & Reasoning Competency
Natural Science Course with a lab	3	Scientific Reasoning Competency
†PSYC 2301 General Psychology	3	Critical Thinking Core Competency
Dallas Major Courses	Credits	UAGC Course Applicability / Notes
AAS in health subject major coursework	41	Electives
Total Transfer Credits	60	

†Preferred course to be taken at Dallas, where available as an option within AAS degree program requirements. Otherwise, students are expected to complete their chosen AAS as outlined in Dallas Catalog. If not taken as part of the designated Dallas degree, these courses may be completed as optional additional course at Dallas (financial implications may apply/will want to talk to an advisor about options). UAGC General Education categories met in transfer may differ slightly depending on the Dallas degree earned. Lower-division transfer courses will not count towards the 30-credit upper-division requirement at UAGC.

Associate of Applied Science in School of Health Sciences include:

- AAS – Adult Cardiac Sonography
- AAS – Dental Hygiene*
- AAS – Diagnostic Medical Sonography
- AAS – Emergency Medical Services/Paramedic
- AAS – Health Information Technology
- AAS – Invasive Cardiovascular Technology
- AAS – Medical Laboratory Technology
- AAS – Nursing*
- AAS – Occupational Therapy Assistant*
- AAS – Radiologic Sciences
- AAS – Radiologic Technology*
- AAS – Respiratory Care
- AAS – Surgical Technologist
- AAS – Veterinary Technology*

***Please note:** Students in the Dental Hygiene, Nursing, Occupational Therapy Assistant, Radiologic Technology, and Veterinary Technology programs should complete both a Speech and Math course regardless of AAS requirements at Dallas.

A UAGC course will be required for any remaining degree requirements, not met in transfer once AAS is complete.

UAGC General Education categories met in transfer may differ slightly depending on Dallas courses completed.
