Certain degree programs may not be available in all states

\*\*Savings on tuition available for those who qualify. \$4,950/year is bachelor's tuition savings based on completing 30 credits per calendar year at a flat tuition rate of \$295 per credit versus published tuition per credit in the UAGC catalog on 1/2/24. Savings will be prorated if students complete less than 30 credits per calendar year. Benefits vary by degree level.

\*\*Transferability of credits is based on a grade of C- or better in all coursework, is subject to the University of Arizona Global Campus transfer credit policies and requires the submission of official transcripts. The official transcripts will be evaluated to determine the credits that will officially apply toward a University of Arizona Global Campus degree program.

\*\*\* 54-60 transfer credits is unofficial; does not guarantee automatic acceptance of transfer credits; and is based solely on Dallas College Vet Tech coursework with a grade of C- or better. Credits vary based on general education courses completed at Dallas College. Required UAGC coursework may vary once official transfer evaluation is completed. If student has less than 54 applicable credits, additional UAGC coursework may be required.
