Bachelor of Arts in Early Childhood Education

Pending receipt and evaluation of official transcripts, this program to program transfer pathway is unofficial; does not guarantee automatic acceptance of transfer credits; and is based solely on Maricopa County Community College District coursework with a grade of C- or better. Maricopa may require a different grade for successful completion. The University of Arizona Global Campus (UAGC) course applicability and availability to take additional coursework beyond the designated Maricopa degree will vary based on each student's individual transfer credit situation. We recommend students work with their UAGC Academic Advisor during their first UAGC course to ensure duplicative coursework is not scheduled pending their official transfer credit evaluation. For complete degree, residency, and transfer credit policies, please refer to the UAGC catalog. **This UAGC program is not designed to meet the state educational requirements for a specific professional license or certification in any state.**

Licensure and Certification Terms and Conditions: This program is not designed to meet the state educational requirements for teacher licensure or certification in any state. Students seeking teacher licensure shall carefully research their state's requirements prior to enrollment and regularly review the requirements as they are subject to change. Requirements vary by state. Graduates will be subject to additional requirements on a state-by-state basis that will include one or more of the following: student teaching or practicum experience, additional coursework, additional testing, or, if the state requires a specific type of degree, earning an additional degree. None of the University of Arizona Global Campus online education programs are accredited by the Council for the Accreditation of Educator Preparation (CAEP), which is a requirement for certification in some states.
