# 2026–2027 Transfer Pathway

## Ultimate Medical Academy Associate of Science or Associate of Applied Science Health and Human Services -TO- The University of Arizona Global Campus Bachelor of Arts in Applied Behavioral Science

Pending receipt and evaluation of official transcripts, this program-to-program transfer pathway is unofficial; does not guarantee automatic acceptance of transfer credits; and is based solely on Ultimate Medical Academy (UMA) coursework with a grade of C- (70%) or better. The University of Arizona Global Campus (UAGC) course applicability and availability to take additional coursework beyond the designated UMA degree will vary based on each student's individual transfer credit situation. We recommend students work with their UAGC Academic Advisor during their first UAGC course to ensure duplicative coursework is not scheduled pending their official transfer credit evaluation. For complete degree, residency, and transfer credit policies, please refer to the UAGC Academic Catalog. **The Bachelor of Arts in Applied Behavioral Science program is not designed to meet the state educational requirements for a specific professional license or certification in any state.**

For questions about the University of Arizona Global Campus portion of this transfer pathway, contact articulation@uagc.edu.

Certain degree programs may not be available in all states.

**Licensure and Certification Terms and Conditions:** The Bachelor of Arts in Applied Behavioral Science program is not designed to meet the state educational requirements for a specific professional license or certification in any state. Students seeking licensure or certification in a particular profession shall carefully research the requirements prior to enrollment and regularly review the requirements as they are subject to change. Requirements vary by state. The University of Arizona Global Campus does not guarantee that any professional organization will accept a graduate's application to sit for any exam for the purpose of professional certification. Further, a criminal record may prevent an applicant from obtaining licensure, certification, or employment in their field of study.
