2026–2027 Transfer Pathway

Ultimate Medical Academy Associate of Science or Associate of Applied Science Medical Billing and Coding -TO- The University of Arizona Global Campus Bachelor of Arts in Health Care Administration

Pending receipt and evaluation of official transcripts, this program-to-program transfer pathway is unofficial; does not guarantee automatic acceptance of transfer credits; and is based solely on Ultimate Medical Academy (UMA) coursework with a grade of C- (70%) or better. The University of Arizona Global Campus (UAGC) course applicability and availability to take additional coursework beyond the designated UMA degree will vary based on each student's individual transfer credit situation. We recommend students work with their UAGC Academic Advisor during their first UAGC course to ensure duplicative coursework is not scheduled pending their official transfer credit evaluation. For complete degree, residency, and transfer credit policies, please refer to the UAGC Academic Catalog. **The Bachelor of Arts in Health Care Administration program is not designed to meet the state educational requirements for a specific professional license or certification in any state.**
