

Zurich Apprenticeship Program for Associate of Arts or Associate of Science Degree

to

Bachelor of Arts in Accounting

Pending receipt and evaluation of official transcripts, this program to program transfer pathway is unofficial; does not guarantee automatic acceptance of transfer credits; and is based solely on coursework with a grade of C- or better. The University of Arizona Global Campus (UAGC) course applicability and availability to take additional coursework beyond the designated degree will vary based on each student's individual transfer credit situation. We recommend students work with their UAGC Academic Advisor during their first UAGC course to ensure duplicative coursework is not scheduled pending their official transfer credit evaluation. For complete degree, residency, and transfer credit policies, please refer to the UAGC catalog. **This UAGC program is not designed to meet the state educational requirements for a specific professional license or certification in any state.**

For questions about the University of Arizona Global Campus portion of this transfer pathway, contact articulation@uagc.edu.

Associate of Arts (AA) or Associate of Science (AS) Degree

Students with a conferred AA or AS degree, with a minimum 2.0 cumulative GPA, that is recognized as meeting the General Education requirement for bachelor's degrees offered through the state universities of the state in which the AA or AS degree was conferred will have fulfilled all lower division General Education requirements at UAGC. The General Education Capstone course must be completed at UAGC.

Generally, students will transfer 60 credits from their AA or AS degree. Depending on the major or area of focus of the AS or AS degree, students may transfer coursework applicable to UAGC major requirements. Other types of associate degrees may be reviewed through a pre-evaluation.

Prior to enrolling, students should work with an admission specialist for a personalized pre-evaluation, an unofficial review to see how their unique mix of credits may apply to the Bachelor of Arts in Accounting degree at UAGC. A pre-evaluation requires unofficial transcripts.

Licensure and Certification Terms and Conditions: The Bachelor of Arts in Accounting is not designed to meet the state educational requirements for a specific professional license or certification in any state. Students seeking licensure or certification in a particular profession shall carefully research the requirements prior to enrollment and regularly review the requirements as they are subject to change. Requirements vary by state. The University of Arizona Global Campus does not guarantee that any professional organization will accept a graduate's application to sit for any exam for the purpose of professional certification. Further, a criminal record may prevent an applicant from obtaining licensure, certification, or employment in their field of study.

This program is not designed to meet the educational requirements for the Certified Public Accountant (CPA) examination. Students seeking a CPA license shall carefully research the requirements provided by state boards of accountancy. A list of state boards of accountancy is available here: <https://nasba.org/stateboards/>

This program is not designed to meet the educational requirements for the Certified Management Accountant (CMA) certification exam. Students seeking a CMA certification shall carefully research the requirements provided by the Institute of Management Accountants (www.imanet.org).
