Bachelor of Arts in Health and Human Services

Program Type: Online

Did You Know?
• All CCAF AAS degrees are accepted in transfer by the University of Arizona Global Campus.
• You only need a maximum of 60 additional credits from the University of Arizona Global Campus to complete your Bachelor of Arts in Health and Human Services.

Degree Focus:

The Bachelor of Arts in Health and Human Services is an interdisciplinary degree program preparing students to work in diverse entry level positions in health and human services. Emphasis of the major is on the delivery of health and human services to diverse populations, in the context of the current and emerging political, socioeconomic, psychosocial, and regulatory environment.

Program Outcomes:

Health and Human Services major graduates will be able to:

• Analyze health and human services delivery from political, socioeconomic, and psychosocial perspectives;
• Evaluate social and human delivery systems at the individual, family, group, organization, and community levels;
• Analyze social problems within the context of health care environments;
• Evaluate ethical issues and challenges inherent in the provision of health and human services;
• Analyze human behaviors within the health and human services context;
• Evaluate health and human services issues, challenges, and interventions;
• Discuss the provision of health and human services from multi-cultural perspectives; and
• Identify effective communication components and strategies with diverse health and human services constituents.
