

OSI Systems INC - Full Tuition Grant (FTG) Process Flow

Student Process for Tuition Payment

*Confirmed policy as of 1.23.26

Determine Program of Interest

Schedule an initial consultation with an Admission Specialist to discuss your program* of interest by calling 855.805.6911 or visiting us online at <http://success.uagc.edu/osi-systems>.

*Certain degree programs may not be available in all states.

Determine which term you would likely begin and a general course start date, the name of the course(s), and cost for the term to be requested. Program costs can be found [here](#).

Obtain Internal Approval from leaders & HR

Obtain approval from direct supervisor & cc Mysuccess.support@osi-systems.com on email.

Complete your [OSI Educational Assistance Form](#) to begin the approval process.

Update application anytime there are changes to course(s) or start dates and secure your supervisor's approval. Email the approved application to your local HR representative and cc Mysuccess.support@osi-systems.com (must be completed 3-4 weeks prior to start date)

Complete FTG Admission Process & Begin class

Once the [OSI Educational Assistance Form](#) has been approved, complete any remaining UAGC enrollment application(s) and the Corporate Full Tuition Grant Form(s).

Direct supervisor must sign the Full Tuition Grant Proof of Eligibility form. Student signs FTG Acknowledgment form.

Send a copy of the approved FTG form to your local HR representative and cc Mysuccess.support@osi-systems.com

During 1st Class, Start thinking ahead.

UAGC requests enrollment confirmation by emailing OSI at: Mysuccess.support@osi-systems.com. Enrollment is finalized when OSI responds with a confirmation email from same email as above.

Once you have completed your first course, UAGC will begin to send your course invoices and final grades to OSI directly for payment.

Course Completion & Renewal

Once the \$5250 in tuition reimbursement has been paid by your employer, the UAGC grant portion will kick in, and all remaining tuition costs for the 12 months will be covered.

Students are responsible for the cost of course materials and all fees.

Re-confirming your benefits is required yearly.

Full Tuition Grant covers the cost of tuition. It is the student's responsibility to cover books and fees. To learn more, visit <http://success.uagc.edu/osi-systems> or contact your advisor.
