OVERALL RECOMMENDATIONS

Overall, it is recommended that the Program Chair for the Bachelor of Arts in Homeland Security and Emergency Management review the assessment plans (including measures used, alignment mapping, and targets set) and Curriculum Map in preparation for the 2019-2020 assessment cycle. This will determine the appropriateness of the assignments and mapping for each PLO. In addition, the Program Chair should consider reviewing CRJ 310 and HSM 435 as the acceptable targets for PLOs 1 and 5 were not met.
